| woohoo! |
| also real great. he's like super detailed and provides good feedback on a lot of things, and seems pretty chill. cool guy too |
| Brandon was very helpful during the course itself for understanding course material and preparing for the midterms. I enjoyed his presentation slides during the first part of the semester's lab classes, and he was very helpful at giving a quick response when we were ordering parts for the project. |
| One of the Best GSI's Ever!! Extremely knowledgeable and helpful. I only wish other classes had GSI's like Brandon. |
| Extremely helpful and friendly |
| Brandon is sooo nice and helpful |
| My suggestion for improvement is that Brandon occasionally came across as overconfident. However, he was really helpful and supportive in labs and during the project. During the project, I appreciated how much extra time he spent checking up on people. Not only was the help he gave useful, but the support was highly encouraging and made the project more enjoyable. I like how he emphasized that the course staff wanted us to take the time to grapple with problems but not get discouraged by them. |
